## GLASS POLISH

- Easy to apply and to remove
- Leaves a reflective finish on glass
- Silicone free

A silicone-free glass cleaner and polish.

A blend of solvents, polish agents and surfactants in an aqueous base, Tops has been designed to reduce white marking on rubber surrounds.

Suitable for use on the interior and exterior of the car.

---

## DIRECTIONS

Shake well before use.  
clean cloth.

Apply Tops with a clean cloth.

Polish off with a soft,

5L
